Mayo Experience - *Frank Cetta (Mayo Clinic)*
- 10.00-10.30 Quality assessment / improvement: how do we
measure quality in pediatric cardiology
Stephen P. Sanders (OPBG)
- 10.30-10.45 Coffee-break
- 10.45-11.00 Quality measures in the cath lab
Frank Cetta (Mayo Clinic)
- 11.00-11.15 Quality measures in the echo lab
Ben Eidem (Mayo Clinic)
- 11.15-11.45 Noninvasive imaging: Tissue characterization
*Mauro Grigioni (Istituto Superiore di Sanità),
Mauro Colajacomo (OPBG)*
- 11.45-12.15 Noninvasive imaging: TDI, strain in ventricular
function assessment - *Ben Eidem (Mayo Clinic)*
- 12.15-13.00 Discussion
- 13.00 Lunch

SESSION 2: SIMULATION TRAINING

Chair: Nicola Pirozzi

- 14.00-14.30 Simulation training for residents
Mark S. Mannenbach (Mayo Clinic)
- 14.30-15.00 Training with dummies and software
Corrado Cecchetti - Daniela Perrotta (OPBG)
- 15:00-15:10 Discussion
- 15:10-15:20 Coffee-break

SESSION 3: PNEUMOLOGY

Chair: Paolo T. Pianosi - Jean De Ville De Goyet

- 15.20-15.50 Respiratory problems in children with SMA:
noninvasive ventilation - *Renato Cutrera (OPBG)*
- 15.50-16.20 Pneumococcal disease in asthmatic and atopic
children - *Young J. Juhn (Mayo Clinic)*
- 16.20-16.50 Pectus excavatum: medical or surgical treatment?
Alessandro Inserra (OPBG)
- 16.50-17.20 Pectus excavatum and exercise
Paolo T. Pianosi (Mayo Clinic)
- 17.20-17.40 Discussion

Friday, September 26, 2008

Medical sessions

Friday, September 26, 2008

Nursing sessions

VENUE: Pontificia Università Urbaniana
Via Urbano VIII, 16 - Rome

SESSION 4: DEVELOPMENTAL FOLLOW-UP AND OUTCOMES FOR PREMATURE INFANTS - IMMUNOLOGY

Chair: Gian F. Bottazzo - Alberto G. Ugazio

- 08.00-08.30 Outcome at 2 years of age for very preterm infants: results from the Italian ACTION2 project
Marina Cuttini (OPBG)
- 08.30-09.00 Predicting developmental outcome for premature infants: neurobiologic risk factors versus neuro - developmental examination at NICU discharge
Andrea C. Wickremasinghe, William J. Barbaresi, Slavica K. Katusic (Mayo Clinic)
- 09.00-09.30 The genetic basis for variation in vaccine response
Robert M. Jacobson (Mayo Clinic)
- 09.30-10.00 Memory cell immunity after vaccine administration
Rita Carsetti, Alberto E. Tozzi (OPBG)
- 10.00-10.20 Discussion
- 10.20-10.40 Coffee-break

SESSION 5: PEDIATRIC AND ADOLESCENT GYNECOLOGY

Chair: Paolo Caione

- 10.40-11.10 Ovarian tumors: general approach and balance between risk of unnecessary surgery and oncological risk - *Maria Chiara Lucchetti (OPBG)*
- 11.10-11.40 Breast Masses in Young Females
Patricia S. Simmons (Mayo Clinic)
- 11.40-11.50 Discussion
- 11.50-13.00 Tour of the Ospedale Pediatrico Bambino Gesù
- 13.00 Lunch

VENUE: Aula Salviati - Ospedale Pediatrico Bambino Gesù
Piazza S. Onofrio, 4 - Rome

- 08.00-08.30 Registration
- 08.30-08.45 Welcome to Participants
Giuseppe Profiti, Maria Grazia Salviati, Tommaso Langiano

SESSION 6: QUALITY OF NURSING CARE

Chair: Giuliana D'Elpidio - Sharon J. Tucker

- 09.00-09.30 Quality of nursing care - *Giovanna Carta (OPBG)*
- 09.30-10.00 A quality improvement program
Kari L. Cambern, Amy Chihak (Mayo Clinic)
- 10.00-10.30 Risk management - *Natalia Bianchi (OPBG)*
- 10.30-10.45 Discussion
- 10.45- 11.00 Coffee-break

SESSION 7: NURSING RESEARCH

Chair: Emanuela Tiozzo - Kari L. Cambern

- 11.00-11.30 Joint project "Parents appraisal of child pain"
Orsola Gawronski, Susanna Padrini (OPBG)
- 11.30-12.00 Developing a program of nursing research at the Bambino Gesù Hospital
Immacolata Dall'Oglio, Emanuela Tiozzo (OPBG)
- 12.00-12.30 Clinical research in nursing
Sharon J. Tucker (Mayo Clinic)
- 12.30-12.50 Discussion
- 12.50 Lunch

Friday, September 26, 2008

Joint medical & nursing session

Saturday, September 27, 2008

Medical sessions

VENUE: Pontificia Università Urbaniana
Via Urbano VIII, 16 - Rome

SESSION 8: CHILD ABUSE

Chair:	Daniel D. Broughton - Stefano Vicari
14.00-14.30	Child abuse/child advocacy <i>Amy L. Barton (Mayo Clinic)</i>
14.30-15.00	Child abuse/child advocacy <i>Daniel D. Broughton (Mayo Clinic)</i>
15.00-15.30	Child abuse: 30 years of experience at OPBG <i>Daniela Tortolani, Mariapaola Lanti (OPBG)</i>
15.30-16.00	Child abuse: a multidisciplinary approach <i>Stefano Vicari, Roberta Vallone, Francesca Addona, Lidia D'Elia (OPBG)</i>
16.00-16.15	Coffee-break
16.15-16.45	First approach to the abused child: the nursing care <i>Anna Maria Villani - Assunta Tassone (OPBG)</i>
